Dear Parent/Carer,

Family Learning with Music – Johnstone High School

I am writing to you with information of an exciting new project, funded through Creative Scotland's Youth Music Initiative. Family Learning with Music provides an opportunity for families to learn a new skill together.

The project will deliver Samba/percussion sessions on Wednesdays after school. No prior musical experience or knowledge is necessary – sessions will be fun and relaxed, and instruments are provided. Parents/carers, along with siblings are very welcome to attend. This project is aimed at the families of S1/S2 pupils.

Please complete the online registration form - [Family Learning with Music](#) or return the tear off slip below, choosing the session slot that best suits.

Yours sincerely,

Katie Rush
