

Dear Parents/Guardians,

We are delighted to announce that Activities Day 2023 will take place on **Monday 26th June**, the second last day of term, at Johnstone High School.

Our staff have been working tirelessly to organise a range of fun and exciting excursions for our young people to enjoy, providing them with an opportunity to unwind and have some fun after a challenging year working towards their academic goals.

In addition to the range of exciting excursions on offer, we will also have a variety of in-house activities available for our pupils - there will be more information to follow on this. To ensure that staff can provide accurate pricing information for the trips, we kindly request that pupils express interest in the excursion on offer via sign-up sheets made available by relevant staff members (listed below), **prior to Friday 28th April.**

We have prepared a list of the excursions currently available to our young people which include:

- Golf Trip to Troon (limited spaces) -> Mr Rainey (Pastoral)
- Alton Towers Theme Park Trip -> Mrs Blair (RMPS)
- M&Ds Theme Park Trip -> Miss Falconer (Humanities)
- InflataNation and Bowling Trip -> Miss Vernal (Business)
- Edinburgh Zoo Trip -> Mr Glen (Science)
- Blair Drummond Safari Park Trip -> Mrs McKay (Maths)

Please Note: this is not an official confirmation of a pupil's attendance on a trip, but rather a sign-up to gauge rough numbers to ensure that our staff can provide accurate quotes to our pupils. Once we have pupil numbers, and accurate quotes available, pupils will then be informed of these costs and can officially sign up for any excursion they wish to attend. The trips will vary in cost, so we encourage our pupils to choose the excursion that best suits their interests. However, for pupils not wishing to participate in the trips, there are, as aforementioned, a range of in-house activities on offer as well.

We are confident that there is something for every pupil at Johnstone High School to enjoy, and we encourage all pupils to take advantage of this exciting opportunity to unwind, have fun and create lasting memories with their peers and staff members.

Thank you for your continued support, and we look forward to a successful and enjoyable Activities Day 2023.

Yours sincerely,

Julia Falconer
Teacher of Modern Studies
Johnstone High School
